Legegeru Industries	CCTV & Biometrics Installations	Completed	Donald Legegeru 083 612 3527	2019
Dawid Kruiper Municipality	Battery UPS Installation	Completed	Jean Marais 054 338 7059	2019
Moshaweng High School	Electrical installations and repair	Completed	Mr E. Moleele 083 736 1006	2019

Message from the Chief Executive Officer

Mr Noa Modukanene

Founder & Director

We are the rising stars of South African Construction.

An entrepreneurial spirit has seen us develop into the leaders of a growing construction company in

South Africa. Yet the humility shows in our hands-on approach. We are great believers in team effort. As such a true emphasis is placed on engaging with staff and clients alike.

The empowerment of our staff remains a priority for us.

In turn a professional staff compliment empowers this dynamic organisation which we call Mdux-ICS (Pty) Ltd

**We intend to be known for our leadership in delivering
“Green”**

environmentally friendly solutions for our clients

Mdux-ICSPty Ltd Electrical and Instrumentation Contractors,

is a Northern Cape based company specialising in electrical, Instrumentation and Control.

We pride ourselves in being able to undertake projects of any size in any location in South Africa.
